

10th July 2010 The Meller family

Damir, Thankya so much for such a wonderful week, we have all enjoyed every day and feel relaxed and happy. You have all made such an effort to make us feel welcome, and have made sure every day is special. We would recommend this holiday to anyone. There are wonderful memories to take back to the U.K. The interesting and pretty places you have shown us, the time spent swimming in quiet unspoilt bays, the fresh fish, and lots of fun.

Thankya again Alison, Nigel, Charlotte,  
Jennifer and Annette xx.

Same date - the Marsden family

Thank-you so much Damir for a fantastic week. We are very grateful to you, Damir and our chef for making a perfect holiday.

We have been amazed how you have provided whatever we asked for, from pancakes to dolphins (that really was unforgettable). It was a shame that the wind didn't blow harder so that we could show more boats our aft!

We have laughed lots on this holiday thanks to your funny stories (and chef being pushed in jolly clothed!) and have many great memories, but you must remember:-  
"When there is grass on the wicket, lets play cricket" (not golf!)

Thanks again

Richard, Sue, Emma & Fiona
